Dear Miss Pankhurst,

I am enclosing the copy of the correspondence passed between you and Mr. G. B. Shaw, as requested.

I thank you very much for having favoured me with it, and I read it with much interest; you are very well informed of the real state of affairs, and your arguments are excellent.

I thank you also for the active part you are taking for the welfare of my country and of its persecuted children.

Yours sincerely,

G. S. Salomon
