Don Sturzo,
38, Chester Villas,
W.11.

Dear Don Sturzo,

Do you know anyone who would give hospitality to an Italian refugee? He is at present in prison here, and the Home Office has not made up its mind what to do about him. He knows that if he is sent to Italy, he goes to his death, and I have been asked to find hospitality for him in case the authorities would permit him to stay in England for a while under these conditions.

Yours sincerely,

E. Sylvia Parkhurst.
